TERMS AND CONDITIONS:							
The Owner/Applicant shall accomplish professional/s and/or the Architect/Civ	<ol> <li>The Owner/Applicant shall accomplish the prescribe Unified Application Form, with the assistance of the concerned designed professional/s and/or the Architect/Civil Engineer, hired/commissioned by him/her as full-time inspector/supervisor of the construction</li> </ol>						

- works, by filling up the necessary data / information required thereat.
- The fully accomplished prescribed Unified Application Form, duly notarized, shall be submitted to the concerned Office of the Building Official accompanied by the various applicable ancillary and accessory permits, plans and specifications signed and sealed by the corresponding design professionals who shall be responsible for the comprehensive and correctness of the plans in compliance to the National Building Code (PD 1096), its Revised IRR and to all applicable referral codes and professional regulatory laws, together with the other documentary requirements pursuant to Section 302 of PD 1096 and its Revised IRR.
- That under Article 1723 of the Civil Code of the Philippines, the engineer or architect who drew up the plans and specifications for a building/structure is liable for damages if within fifteen (15) years from the completion of the building/structure, the same should collapse due to defect in the plans or specifications or defects in the ground. The engineer or architect who supervises the construction shall be solidarily liable with the contractor should the edifice collapse due to defect in the construction or the use of inferior materials.

I have read this form, understood its contents and consent to the processing of my personal data. I understand that my consent does not preclude the existence of other criteria for lawful processing of personal data, and does not waive any of my rights under the Data Privacy Act of 2012 and other applicable laws.
